MODEL DPEM DELUXE PEDESTAL ELECTRO-MECHANICAL TABLE

CSI/JEWETT's DPEM Deluxe Adjustable-Height Autopsy Table is designed so that the pathologist can set their own comfortable working height. The electro-mechanical design utilizes dual column actuators to ensure table stability and eliminate table lock-up under heavy loads.

DESIGN FEATURES INCLUDE

- Adjusts 8" from 32" to 40" with easy push-button height controls
- Center table drain with pre-strainer cover and a secondary basket-type strainer
- Exclusive full-width, integral sink (14" long by 10" deep with overflow drain and deck-mounted plumbing features
- Wrist-operated, chrome-plated brass faucet with hot and cold water flow control valves and swivel goose neck spout
- "Reverse-Flow" hydro-aspirator with built-in vacuum breaker includes hot and cold water flow control, 10' (3.05meters) of PVC hose, hose storage rack and anti-aerosol waste outlet
- Lever handle waste drain control for sink (deleted w/ disposer)
- Double-cone style down-draft ventilation system
- .75" radius rolled edge provides superior strength to table top and inhibits the collection of fluid or debris on the underside of the table
- Welded sanitary Type 304 stainless steel construction with large radius inside corners for easy cleanup
- Manufactured without crevices, lapped edges, rivets, bolts or other fastening devices so that work surfaces remain smooth and prevent accumulation of bacteria
- Two 14-gauge, 6" (15.2cm) wide, solid stainless steel sliding body supports
- Adjustable, six-position PVC headrest
- Length - 99.75" (253.4cm); width - 30.25" (76.8 cm)
- NRTL Listed to UL 61010-2
