DID YOU KNOW? TRANSITIONING FROM WEEKLY TO PERIODIC PUBLICATION

Effective today, PRIMUS will change the publication of the Did You Know? technical bulletins from weekly to periodic.

Currently, 300 DYKs have been published discussing a wide range of technical topics of interest to PRIMUS Authorized Service Agents (ASA), Dealers, Independent Sales Representatives (D/ISR) and End User Customers.

ASAs, D/ISRs and End User Customers are strongly encouraged to submit pertinent topics for future publication.

Additionally, PRIMUS will publish DYKs when it appears that written information will benefit the PRIMUS ASAs, Sales Team and End User Customers.

All DYKs will continue to be available on the PRIMUS website at www.primus-sterilizer.com.

The DYKs on the PRIMUS website will soon be organized under various topic headings to make it easier for ASAs, D/ISRs and End User Customers to find the information needed. The DYKs will also continue to be listed sequentially.

If you have any questions about the DYKs or to submit topics for future publication, contact Connie Mansfield at cmansfield@primus-sterilizer.com.
