PRIMUS RECEIVES FEDERAL SUPPLY SCHEDULE (FSS) CONTRACT

Following nine months of negotiations and document exchanges, PRIMUS Sterilizer Company, LLC received a Federal Supply Schedule (FSS) contract – **V797P-4400B** effective February 25, 2011.

With this important contract, PRIMUS will now be eligible to compete for all small sterilizers and spare parts procured by the Federal Government.

The **Federal Supply Schedule (FSS) Program** seeks to provide world class products and services through performance excellence that is demonstrated by contractual competence, timeliness, innovation, and results-driven solutions while assuring accountability to federal customers and taxpayers.

The **Federal Supply Schedule (FSS) Program** establishes long-term Government-wide contracts awarded to responsible commercial companies at established prices, terms, and conditions. These contracts provide eligible buyers with a simplified process for obtaining millions of commercial supplies and services.

By placing orders directly with awarded FSS contractors, federal customers are able to obtain virtually any commercially available service or supply by choosing among thousands of suppliers.

Purchasing from FSS contracts can offer the following advantages over procuring on the open market:

- FSS has determined the prices under Schedule contracts to be fair and reasonable
- Schedule contracts have been awarded in compliance with all applicable laws and regulations
- Administrative time is reduced
- Schedule contracts offer a wide selection of state-of-the-art commercial supplies and services
